

REMARKS

In response to the Office Action, all pending Claims have been canceled, except claims Claims 28 through 34. As suggested in the Office Action, Claims 28 through 34 have been amended. In view of the claim amendments, it is respectfully submitted that the amended claims 28 through 34, which are now active in this application, are in condition for allowance.

Applicant believes that a full and complete response has been made to the outstanding Office Action. Should the Examiner consider necessary or desirable any formal changes anywhere in the specification, claims and/or drawing, then it is respectfully asked that such changes be made by Examiner's Amendment, if the Examiner feels this would facilitate passage of the case to issuance. Alternatively, should the Examiner believe, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
